Alumni Help Preserve ZBT's Future

The Zeta Beta Tau Foundation, Inc. is pleased to announce the receipt of two major gifts in support of ZBT's educational initiatives.

Arthur S. Weinstock (Δ, Columbia, 1941) and his wife, Betty, have worked to insure the success of Delta Chapter at Columbia University and Zeta Beta Tau in general. The couple recently gave a \$25,000 gift to the ZBT Foundation to support the Northeast Regional Conclave. Conclaves are held in January and February of each year, in various regions of the country, to provide intensive training to ZBT's undergraduate leaders and to promote interaction between undergraduate and alumni leaders. On a yearly basis, approximately 10% of the Fraternity's undergraduate members attend Conclave.

Arthur, the long-time alumnus advisor to Delta Chapter, serves as the Secretary of the Zeta Beta Tau Foundation, Inc. At its annual meeting in July, 1999, the Fraternity's Supreme Council honored Arthur by naming him Supreme Council Director Emeritus, in recognition of his "exemplary service and dedication to Delta Chapter, the Supreme Council, and Zeta Beta Tau Fraternity in general." Arthur is also a recipient of Columbia University's Alumni Federation Medal. Betty and Arthur continue to attend National Conventions, where Arthur is often seen memorializing the proceedings with his camera. Betty was presented with a ZBT Sweetheart pin at the 1999 Leadership School and Convention.

Past National President Irving M. Chase (AP, UCLA, 1974) and his wife Nancy also generously provided for the future of ZBT. Brother Chase has served for many years on the Trustee Board of Alpha Rho Chapter, working closely with the Chapter in its daily functioning as well as dealing with real estate matters. He is

now the chief alumnus advisor to Alpha Rho. Irv's work with the National Fraternity culminated with his inauguration as National President in 1994. He currently serves as a voting member of the Fraternity's Supreme Council and Chairman of the Board of the National Permanent Endowment Fund (NPEF).

Irv and Nancy Chase, have made a significant contribution to endow ZBT's Presidents' Forum, which will now be named the Irving M. and Nancy Chase Presidents' Leadership Forum. This yearly program, begun during Irv's term as National President, is designed to train Chapter and Colony Presidents on issues pertaining to their office and workings of their Chapters.

The success of ZBT Chapters is based upon the tools and training provided to our undergraduate leaders. Realizing the importance of this training, Brothers Weinstock and Chase have taken these generous steps to insure that the Foundation continues to offer important

educational programs for the benefit of our undergraduate Brothers. We are all eternally grateful to Arthur, Irv, and their wives, and all Brothers for their continued support.
